

UPDATE: COVID-19 Vaccine

We continue to offer vaccines every Thursday at the LDS Stake Center in Driggs. For those not on the schedule, we are now offering a same day vaccinations at 3PM at the Stake Center. We will determine how many scheduled patients have missed their appointments and offer those doses to same day patients on a first come, first served basis. The exact number of available doses will not be known until 3PM – but we typically will only have a limited number.

If you are interested in getting a same day vaccination, please come to the Stake Center parking lot at 3PM and check in at the Entrance door. We will take down your name and phone number, then call/text you when you can get a vaccine. You must stay in the parking lot and enter the building when you receive the call/text. Once we use all of our available vaccines, we will post a sign at the building entrance to notify everyone in the parking lot.

We are following the published Idaho priorities to determine who is eligible for a vaccine (<https://coronavirus.idaho.gov/wp-content/uploads/2021/03/CURRENT-COVID-19-Vaccine-Advisory-Committee-CVAC-Vaccine-Prioritization-031621.pdf>).
